Serving Him through music

by Karen Behrens, Music Team Lead

Colossians 3:16 *Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts.*

January has come and gone and what a great month it has been. We have enjoyed worshiping with our wonderful church.

So what is new with our praise team, and where do we go from here? We are going to start a 4th praise group. It will be totally contemporary music. Some songs will be from the hymnal and some with Cd's. It will be a more modern praise group to try to change things up a bit. This group will begin singing in mid-March. I think it will be a positive move forward and something a little different for our church.

We have had several church members offer to sing special music during our services. This is a nice touch to our worship time.

We appreciate you all. If anyone is interested in doing special music, please contact me 2 weeks in advance with the music so we can make sure we practice and have the music in the power point.

Lastly, I appreciate all the encouragement from the church body regarding our worship.

In Christ's love,

Karen Behrens

A life-changing ministry

by Betty Smith, Missions Team Lead

One mission endeavor many of you may not be aware of is called Christian Woman's/Men's Job Corps (CW/MJC). This is a program under the WMU. RaNon Caraway and Betty Smith started this ministry about 13 years ago. At first we did several classes: Budgeting, Cooking on a Budget, Self Esteem, and others. But eventually it evolved into Parenting, with referrals from CPS. These were folks who have lost their children to Foster Care or are in jeopardy of doing so.

In addition to Parenting classes, we also have a Bible study component. Classes run for six weeks, once a week. Childcare is provided when needed. Over the years we have had many single parents and couples. Last year we had 18 individuals to participate.

Currently Betty Smith and Laurie Morton teach these classes. We covet your prayers for this ministry because these are folks who are at times at their lowest. Our job is to give them hope, through Christ.

Thank you

Let me take a minute to just say thank you. First, thank you for being willing to let me into your faith community. For giving me the opportunity to share life with you on Sundays. For allowing me the opportunity to know you and to be known by you. Secondly, thank you for showing up. Week after week you show up to seek to be and do what God has called you and FBC Brady to be. Your faithfulness is an inspiration to me. And third, thank you for your encouragement. I seem to always leave Brady with a full heart from all your encouraging words. I don't know if I always deserve them, but you offer them regularly. Thank you for encouraging me.

These are three reasons why FBC Brady is a good church. And why your future pastor can flourish and why the days to come will have great potential. Stay the course and let's see what God does in the days to come.

See you Sunday!!

Search Committee News

by George Matula, PSC Chair

The Search Committee received a few more resumes and they have been reviewed. Profile information was sent to them. Responses have been received from several of the first candidates that submitted resumes. We are beginning to narrow our focus on the top candidates and check on references. Please continue to pray for wisdom and guidance for the Search Committee and pray for the man God has chosen to be our spiritual leader and shepherd.

Search Committee members: Pete Barrera, Jeanagayle Behrens, Tony Groves, George Matula, Farion Morton, Joyce Scott, and Betty Smith.

BAM reaches kids for Christ

by Marsha Gainer, Children's Ministry Team lead

The BAM program is going well. We are looking forward to a big Easter Egg hunt on Easter Sunday in April! We would love any donations of eggs or candy.

We will not meet during spring break (March 9-13.)

We are so thankful for the faithful Church members who continue to support us with great meals.

Church formally adopts

Baptist Faith and Message, 1963 version

In the business meeting on January 19, the church voted to add this statement to the Church Covenant (Article II of the Constitution): *First Baptist Brady aligns itself doctrinally with the Baptist Faith and Message of 1963.*

Happy New Year!!! I hope the New Year has found you healthy, joyful in the Lord, and more willing to further the Kingdom than ever before. We, as Baptists, have many great opportunities to affect others around the world on behalf of the Lord, even if we, ourselves, cannot go and be foreign missionaries. Opportunities abound all around us on a smaller scale to help someone in need through our witness, our giving, and our sharing. Through such cooperative opportunities as the Lottie Moon Offerings, Mary Hill Davis Offerings, and the Annie Armstrong Easter Offerings, each church can say, unequivocally, that their church is a Missionary Church. We can do more together than separately.

Let me outline just a few opportunities that are available to ALL Baptist churches to participate in a missions program. First, two or three years ago, BGCT started what is called the Missionary Adoption Program to help missionaries along the Amazon River in Brazil. For as little as \$50 per month, a church can “adopt” a missionary and help that person reach those in Brazil. That program has now expanded to parts of Africa as well. If you are interested in “adopting” a missionary and want further information, call Joshue Valerio at 214-828-5212. Also, along the Rio Grande, here in Texas for many years, we have had the River Ministry to reach those across the border. If you are interested in this, please contact Mario Gonzalez at 214-828-5389. OR, if your church is interested, please give them a call and invite them to attend a church meeting to explain the entire program to your members. They would be glad to do so at no cost to your church. BGCT has also partnered with churches in the northwest to re-plant some small churches in areas where it is desperately needed and also to re-establish Baptist Student Ministries at the University of Washington, Washington State University, the University of Oregon, Oregon State University, and one or two more colleges in Idaho. They are reaching an un-reached populace in that part of the U.S.

Even a little more locally, there are opportunities to help those come to know the love of Christ. Often, we have smaller churches who are in need of repairs but do not have the financial ability to keep their buildings up to par. Casa de Dios, here in Ballinger, is one such small church needing some help. They need about \$2000 to help replace some windows, do some roof repair and other needed repairs. It is a small, Hispanic church that is running about 25 people on Sunday which has only been in existence for a little over a year now. Wonderful, Spirit-filled people attend church there and they are winning others to the Lord on a weekly basis. With a new church start such as this, you can come alongside them in the role of a sponsor church to the tune of only \$100 per month, just to help them defray some costs.

And one last opportunity that your church has is to help us with our summer mission trip to the Navajo nation and Hilltop Christian School, either financially, or by going with us to do some of the minor repair work that still needs to be done there. For more information on this mission trip, please feel free to call Marty Akins at FBC, Eden at 806-215-1932. Believe me, you will be blessed in seeing what is happening at the school and also to hear how the Navajo nation desperately needs to hear about Jesus Christ. We had over 100 children and parents at our Block Party that we held one afternoon, and fed everyone there, gave away all of our popcorn, and also gave away over 300 snow cones!!!! We also had the privilege of seeing three young girls come to know Christ during our Vacation Bible School. You will be blessed beyond belief by going with us and working with us. (You will eat well, also!!! And have a BLAST!)

God's opportunities for sharing are all around us, and each church should be involved in local missions to reach people in their respective communities, and there are a multitude of state, national and international missions through which your church can have a part. If you have questions, call me and we'll get you in touch with the right people. Until then, continue to "...earnestly contend for the faith which was once delivered unto the saints." Jude 1:3 —Keith

Every moment lived for the Lord has the potential to be heavy with glory. When we pick up our crosses and follow Him, our days will never be mundane, and our lives will definitely matter.

Godly Impressions Preschool

“Connecting children to the love of Christ through Godly impressions”

Love, love, love! It’s all about love — which is why our Bible verse for February at Godly Impressions will be “Love one another” John 13:34. This month will also be filled with nursery rhymes and fairy tales. We will be learning about the color pink and the heart shape. Our Valentine parties will be on Thursday, Feb. 13 or Friday, Feb. 14.

If you would like to support this outreach ministry in any way, please email me at godlyimpressionsfbc@gmail.com.
